

FCA Network meeting

[CHICAGO] FCA Network looked both backwards and forwards during its annual membership meeting held here, March 30-April 1. The meeting's "Back to Basics" theme reminded members of the foundations to success the group provides. Several members were honored during the meeting. Don Lovato, Carpet Source, Albuquerque, N.M., won awards for largest rebate, highest volume in the company's Bayport Main Street program, and highest volume in purchases in the Signature Hard Surface program.
