

Quality Assurance Analyst

Exempt • Full Time

We are looking to add to our RFMS Quality Assurance (QA) Department by hiring a Quality Assurance Analyst. This is a great opportunity to work for a growing company that is focused on providing our clients with top-tier software.

As a QA Analyst, you would be responsible for ensuring that all modules/programs meet functional and design requirements before they are released to the market. This would be done by using various tools for product testing and debugging.

What we look for

A team player who is an effective communicator and can document outcomes of the testing process both in writing and verbally. Someone who is detail-oriented and can thoroughly analyze code to ensure that it meets user requirements.

To qualify, you must have

- Bachelor's degree in Computer Science, Computer/Software Engineering, MIS, or related degree
- Working knowledge of programming
- Quality control and/or software testing experience
- Proficiency with Microsoft Office products

What working at RFMS offers

We offer the opportunity to develop new skills and progress your career within the software industry. In addition, we offer competitive benefits packages that consist of:

- Health Care Plan (Medical, Dental, Vision)
- 401k Plan (Traditional & Roth) – we match \$1 for \$1 on first 3% deferred and \$0.50 for each \$1 on next 2% deferred!
- Company-Paid Life Insurance Policy
- Flexible Spending Accounts
- Paid Time Off
- Tuition Reimbursement Program
